Emergency Commissions in His Majesty's
Land Forces - Recruitment of candidates.

My Dear Hallo,

Headquarters, Madras District, observe that the last four selections held by the local Board resulted in few candidates being selected, the reason being that many candidates of the wrong type presented themselves before the Board. To obviate unsuitable candidates appearing before the Board, District Headquarters suggest that a candidate should, besides being of reasonably good social status and having the other necessary qualifications, also be sufficiently well known to some high Civil Officer to get a personal recommendation from him and that this recommendation should be signed by the Civil Officer himself.

2. Another point which District Headquarters wish to emphasise is that a large number of candidates -

(a) are in employment on salaries of between Rs.25/- and Rs.45/- p.m.,

(b) are not in any employment at all though they try to give the impression that their financial and social status is high - they appear to be young men who cannot obtain employment and are dependent on their guardians,

(c) have not, and never have had, any family connections with military service, and

(d) do not come up to medical standards of fitness - under chest measurement and under eyesight.

They therefore request that, if there is no objection, instructions may kindly be issued to the Civil Authorities to scrutinise the applications thoroughly and see that such candidates do not come before the Board.

3. Civil Authorities may kindly be advised to bear in mind the following minimum standards for candidates for Commissioned rank:

(a) Good education up to Matriculation or its equivalent - Good general knowledge and acquaintance with current world topics - Fluency in English.

(b)

(b) Satisfactory social status and record.

(c) Personality and qualities of leadership.

(d) Physical fitness including ability to play games or sports.

(e) Previous military knowledge or family connections with military service.

(f) Desire to work hard and preparedness to serve their country and to undergo hardships.

4. In conclusion the Military authorities observe that candidates who merely wish to have a soft sedentary job in a good station are obviously unfit for a Commission. They also point out that in England all promotions to Commissions are now made from the ranks.

5. The Hon'ble the Resident would be grateful for the co-operation of the Government of Mysore in the matter.

LETTER NO.S.B.59 of 42-43, dated the 28th August 1942, from the District Superintendent of Police, Mysore, to the Deputy Commissioner, Mysore District, Mysore.

With reference to your Memo No.Gl.124 of 42-43, dated the 19th August 1942, regarding N. V. Srikantiah, I have the honour to state that on enquiries it is reported that the particulars furnished by him in the application are correct except the fact that his father pays an annual land revenue of about Rs.50/- only and not Rs.5,000/- as mentioned in the application form.

The applicant was a student of the Intermediate College, Mysore, and discontinued his studies in the year 1939. At present he has been doing petty contract work and living with his father Mr. C. Venkateshiah, a retired Sheristedar of the Sub Court and he is a native of Nanjangud.

As regards the antecedents of the applicant, it is reported that when he was a student he had figured as an accused along with other Congress workers for having caused disturbance in front of one Mr. H. V. Anantharamiah's Press in Lansdowne Bazaar on 10th November 1937, and was prosecuted under Section 56 (O), (Q), (R) of Mysore Police Act, and subsequently the case was withdrawn as per Government orders along with other political cases. For the present, the applicant has not been joining any political activities and has given up wearing khadar. His present character and conduct are reported to be satisfactory.
